DISCUSSION OF OVERLAND TRANSPORT CONNECTIONS FOR COMMUNIST CHINA'S FREIGHT TRADE

2. Information: The committee discussed extensively the draft of the overland transport section prepared by the TSC Secretariat for inclusion in EIC-R1-S5, for which the special meeting was called. The paper was based on a consolidation of information available to CIA and that contained in contributions of Army and Air Force.

3. Action: The draft was approved with amendments suggested by the committee.
